INTRODUCTION

The purpose of this circular is to provide you with information regarding resolutions to be proposed at the AGM relating to (i) the re-election of Directors; (ii) the granting to the Directors of general mandates for the issue and the repurchase of Shares up to 20% and 10% respectively of the nominal amount of the Company's issued share capital (excluding any treasury Shares); and (iii) payment of the Special Dividend out of the Share Premium Account.

RE-ELECTION OF DIRECTORS

Pursuant to Articles 86(3) and 87(1) of the Articles of Association, Mr. Wong Ling Sun, Vincent and Ms. Ng Sui Chun, being the Executive Directors, Ms. Wong Wai Man, Vivian, being the Non-Executive Director and Mr. James Mathew Fong, being the Independent Non-Executive Director, shall retire by rotation and, being eligible, offer themselves for re-election at the AGM. Brief biographical details of the retiring Directors are set out in Appendix I to this circular.

The Nomination Committee has recommended to the Board that the above-mentioned Directors are eligible for re-appointment. The nomination of Mr. Wong Ling Sun, Vincent and Ms. Ng Sui Chun for re-appointment as Executive Directors, Ms. Wong Wai Man, Vivian for re-appointment as Non-Executive Director and Mr. James Mathew Fong for re-appointment as Independent Non-Executive Director at the forthcoming AGM have been considered by the Nomination Committee in accordance with the nomination procedures and policy of the Company and the objective selection criteria (including skills, knowledge and experience of the above-mentioned Directors and their good reputation in character, integrity, honesty and experience etc.) as well as taking into account the diversity aspects (including the gender, age, educational background and ethnicity, etc.), with due regard for the benefits of diversity, as set out under the board diversity policy of the Company. In addition, the Nomination Committee had evaluated the performance of each of the retiring Directors during the period from the date of last re-election to the date of this circular and found their performance satisfactory. For the nomination policy and procedures of the Group, please refer to the Corporate Governance Report contained in the annual report 2023/2024.

GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES

At the last annual general meeting of the Company held on 22 August 2023, ordinary resolutions were passed to grant general mandates authorising the Directors (i) to allot, issue and deal with Shares not exceeding 20% of the aggregate nominal amount of the issued share capital of the Company at that date (i.e. not exceeding 54,382,600 Shares) ("Existing Issue Mandate"); and (ii) to repurchase Shares not exceeding 10% of the issued share capital, or the relevant class of Shares, of the Company at that date (i.e. not exceeding 27,191,300 Shares) ("Existing Repurchase Mandate").

The Existing Issue Mandate and the Existing Repurchase Mandate will expire upon the conclusion of the AGM. The Directors consider that the Existing Issue Mandate and the Existing Repurchase Mandate increase the flexibility in the Company's affairs and are in the interests of the Shareholders, and that the same shall continue to be adopted by the Company. New general mandates to allot, issue and deal with Shares up to 20% ("Issue Mandate") and to repurchase Shares up to 10% ("Repurchase Mandate") of the issued share capital of the Company (excluding any treasury Shares) as at the date of passing of Resolutions 5(a) and 5(b) set out in the AGM Notice respectively will be proposed at the AGM. Resolution authorising the extension of the general mandate to the Directors to issue Shares to include the aggregate nominal amount of such Shares repurchased (if any) under the Repurchase Mandate is to be proposed as Resolution 5(c) at the AGM.

The proposed new Issue Mandate and Repurchase Mandate may only continue in force during the period from the passing of the resolutions until the earlier of: (i) the conclusion of the next annual general meeting of the Company; (ii) the date by which the next annual general meeting of the Company is required to be held by the Articles of Association or any applicable laws; and (iii) the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in general meeting.

With reference to the proposed new Issue Mandate and Repurchase Mandate, the Directors wish to state that they have no immediate plans to issue any new or repurchase any existing Shares pursuant to the relevant mandates. Save as disclosed, the Company did not obtain any other general mandate or special mandate to issue Shares in the past 12 months.

An explanatory statement containing the particulars required by the Listing Rules to enable the Shareholders to make an informed view on whether to vote for or against Resolution 5(b) to be proposed at the AGM in relation to the Repurchase Mandate is set out in Appendix II to this circular.

PAYMENT OF THE SPECIAL DIVIDEND OUT OF THE SHARE PREMIUM ACCOUNT

Subject to approval of the Shareholders, the Board proposes the declaration and payment of the Special Dividend of HK4 cents per Share out of the Share Premium Account.

As at the Latest Practicable Date, the Company has 271,913,000 Shares in issue. Based on the number of issued Shares as at the Latest Practicable Date, the Special Dividend, if declared and paid, will amount to an aggregate amount of approximately HK\$10,877,000. Subject to the fulfillment of the conditions set out in the section headed "Conditions of the Payment of the Special Dividend out of the Share Premium Account" below, the Special Dividend is intended to be paid out of the Share Premium Account pursuant to Article 137 of the Articles of Association. As at 31 March 2024, based on the audited consolidated financial statements of the Company, the amount standing to the credit of the Share Premium Account was approximately HK\$74,612,000. Following the payment of the Special Dividend, there will be a remaining balance of approximately HK\$63,735,000 standing to the credit of the Share Premium Account.

Conditions of the payment of the Special Dividend out of the Share Premium Account

The payment of the Special Dividend out of the Share Premium Account is conditional upon the satisfaction of the following conditions:

- the passing of the ordinary resolution by the Shareholders declaring and approving the payment of the Special Dividend out of the Share Premium Account pursuant to Article 137 of the Articles of Association; and
- b) the Directors being satisfied that there are no reasonable grounds for believing that the Company is, immediately following the date on which the Special Dividend is paid, unable to pay its debts as they fall due in the ordinary course of business.

If such conditions are not satisfied, the Special Dividend will not be paid.

Subject to the fulfillment of the above conditions, it is expected that the Special Dividend will be paid on or about Friday, 20 September 2024 to those Shareholders whose names appear on the register of members of the Company at close of business on Wednesday, 11 September 2024, being the record date for determination of entitlements to the Special Dividend.

Reason for and effect of the payment of the Special Dividend out of the Share Premium Account

The Board considers it unnecessary to maintain the Share Premium Account under reserves at its current level. In recognition of the Shareholders' support, the Directors consider that the declaration and payment of the Special Dividend out of the Share Premium Account under reserves is in the interests of the Company and its Shareholders as a whole.

Save for the immaterial expenses incurred as a result of the payment of the Special Dividend, the Board believes that the payment of the Special Dividend will not have any material adverse effect on the underlying assets, business, operation or financial position of the Group and does not involve any reduction in the authorised or issued share capital of the Company or reduction in the nominal value of the Shares or result in any change in the trading arrangements in respect of the Shares.

Shareholders should seek professional advice with their own tax advisers regarding the possible tax implications of the payment of the Special Dividend. The Board is not aware of any Shareholders who have waived or agreed to waive any dividend.

AGM

The AGM Notice is set out on pages AGM-1 to AGM-5 of this circular. Ordinary resolutions in respect of (i) the re-election of Directors, (ii) the grant of the Issue Mandate and the Repurchase Mandate to the Directors, and (iii) payment of the Special Dividend out of the Share Premium Account, as referred to above will be proposed at the AGM.

A form of proxy for the AGM is also enclosed with this circular and published on the websites of the Stock Exchange (www.hkexnews.hk) and the Company (www.amspt.com). Whether or not you are able to attend the AGM, you are requested to complete the form of proxy in accordance with the instructions printed thereon and return it to the Company's Hong Kong share registrar and transfer office, Union Registrars Limited, at Suites 3301–04, 33/F., Two Chinachem Exchange Square, 338 King's Road, North Point, Hong Kong as soon as possible and in any event not less than 48 hours before the time appointed for holding the AGM or any adjourned meeting thereof. Completion and return of the form of proxy shall not preclude you from attending and voting in person at the AGM or any adjourned meeting thereof should you so desire.

VOTING BY POLL

Pursuant to Rule 13.39(4) of the Listing Rules, any vote of shareholders at a general meeting must be taken by poll, except where the chairman, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands. Accordingly, the chairman of the AGM will exercise his right under Article 66 of the Articles of Association to demand a poll on each of the resolutions to be proposed at the AGM.

RECOMMENDATION

The Directors consider that the proposed ordinary resolutions for approval of the reelection of the retiring Directors, the grant of the Issue Mandate and the Repurchase Mandate to the Directors and adding the aggregate nominal amount of Shares repurchased (if any) under the Repurchase Mandate to the aggregate nominal amount of Shares that may be allotted pursuant to the Issue Mandate, and the payment of the Special Dividend out of the Share Premium Account are each in the best interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend all Shareholders to vote in favour of all relevant resolutions to be proposed at the AGM.

GENERAL INFORMATION

Your attention is drawn to the additional information set out in the Appendices to this circular. The English text of this circular shall prevail over the Chinese text.

Yours faithfully,
For and on behalf of the Board

Subject to the passing of the resolution granting the proposed Repurchase Mandate and on the basis that no further Shares will be issued or repurchased before the AGM, the Company will be allowed to repurchase a maximum of 27,191,300 Shares during the period ending on the earlier of the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required to be held by the Articles of Association or any applicable laws or the date upon which such authority is revoked or varied by a resolution of the Shareholders in general meeting.

REASONS FOR REPURCHASE

The Board believes that it is in the best interests of the Company and the Shareholders as a whole for the Directors to have a general authority from the Shareholders to enable the Company to repurchase Shares on the Stock Exchange. Any repurchase of Shares may, depending on market conditions and funding arrangements at the prevailing time, lead to an enhancement of the net asset value and/or earnings per Share and will only be made when the Board believes that a repurchase of Shares will benefit the Company and the Shareholders as a whole.

If the Company repurchases any Shares pursuant to the Repurchase Mandate, the Company may cancel such repurchased Shares or hold them as treasury Shares, subject to market conditions and the Group's capital management needs at the relevant time of the repurchase.

If there are any treasury Shares deposited with CCASS pending resale on the Stock Exchange, the Company will adopt appropriate measures to ensure that it does not exercise any Shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in the Company's own name as treasury Shares, which may include approval by the Board that (i) the Company would not (or would procure its broker not to) give any instructions to Hong Kong Securities Clearing Company Limited to vote at general meetings for the treasury Shares deposited with CCASS; and (ii) in the case of dividends or distributions, the Company will withdraw the treasury Shares from CCASS, and either re-register them in its own name as treasury Shares or cancel them, in each case before the record date for the dividends or distributions.

FUNDING OF REPURCHASE

Repurchase must be funded out of funds which are legally available for such purpose in accordance with the Memorandum and Articles of Association and the Companies Act of the Cayman Islands. The Company may not repurchase its own Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Under the Cayman Islands law, repurchase by the Company may only be made out of the profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose, or, if so authorised by the Memorandum and Articles of Association and subject to the provisions of the Companies Act of the Cayman Islands, out of capital under certain circumstances.

Any premium payable on repurchase over the par value of the Shares to be repurchased must be provided for out of the profits of the Company or out of the Company's share premium account, or, if so authorised by the Memorandum and Articles of Association and subject to the provisions of the Companies Act of the Cayman Islands, out of capital under certain circumstances.

POSSIBLE MATERIAL ADVERSE IMPACT

Taking into account the current working capital position of the Company, the Directors consider that, if the Repurchase Mandate is to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Company as compared with the position as at 31 March 2024, being the date of its latest audited consolidated financial statements. Therefore, the Directors do not intend to make any repurchase to such an extent as would, in the circumstances, have a material adverse effect on the appropriate working capital requirements or the gearing position of the Company as they would consider from time to time.

The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are to be repurchased will be decided by the Directors at the relevant time having regard to the circumstances then prevailing.

TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If a Shareholder's proportionate interest in the voting rights of the Company increases when the Company exercises its powers to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could, depending on the level of such increase, obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, so far as known to the Directors and according to the register of interests and short positions of substantial Shareholders maintained by the Company pursuant to section 336 of the SFO, Skyblue, which is wholly owned by Metro Success, was interested in 117,677,000 Shares, representing approximately 43.28% of the entire issued capital of the Company. Metro Success is wholly owned by JETSUN, which is wholly owned by the Trustee (as trustee of The JetSun Trust). The entire issued share capital of JETSUN is owned by the Trustee.

Assuming that Skyblue (being the controlling shareholder (as defined in the Listing Rules) as at the Latest Practicable Date) does not dispose of its Shares, if, which is not presently contemplated, the Repurchase Mandate is to be exercised in full, the percentage of shareholding of Skyblue would be increased to approximately 48.08% after such repurchase.

Apart from the aforesaid increase in shareholding held by Skyblue, the Directors are not aware of any consequences of such repurchase of Shares that would result in Skyblue or any other Shareholder, or group of Shareholders acting in concert, becoming obliged to make a mandatory offer under Rules 26 and 32 of the Takeovers Code. If the Repurchase Mandate is to be exercised in full, the percentage of shareholding held by the existing Shareholders who being excluded from the definition of "members of the public" given under Rule 8.24 of the Listing Rules, currently altogether holding an aggregate of approximately 73.19% of the shareholding of the Company, will then exceed 75% and thus, the number of Shares held by the public would fall below 25% of the total number of issued Shares. Nevertheless, the Company has no present intention to repurchase Shares or exercise the Repurchase Mandate in full so that the public float of the Company would not fall below 25% of the total number of issued Shares.

Neither the Company nor any of its subsidiaries has repurchased any of the Shares (whether on the Stock Exchange or otherwise) in the six months immediately preceding the Latest Practicable Date.

GENERAL

To the best of the Directors' knowledge and having made all reasonable enquiries, none of the Directors nor any of his/her associates has any present intention to sell Shares to the Company or its subsidiaries. The Directors will exercise the Repurchase Mandate to repurchase Shares in accordance with the Listing Rules and applicable laws of the Cayman Islands.

No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell Shares held by him/her/it to the Company, or has undertaken not to sell Shares to the Company in the event that the Company is authorised to repurchase the Shares.

Neither this explanatory statement nor the proposed Repurchase Mandate has any unusual features.
